

Belts & Pulleys

6100 Pro & 6200 Elite

Serial Number Ranges:

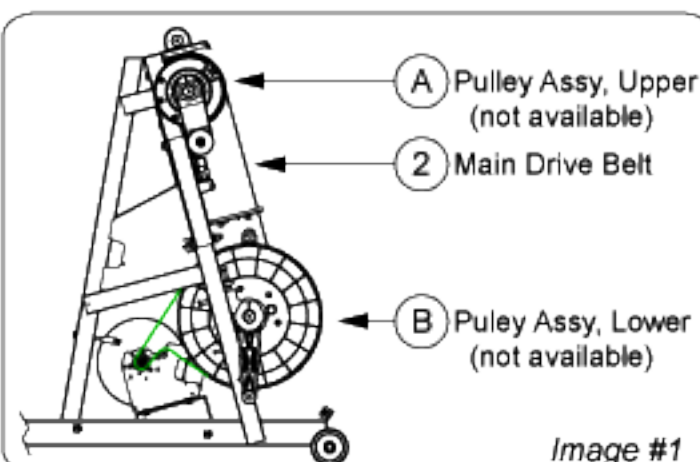

6150801000 to 6161002972

6250801000 to 6261006676

Serial Number Ranges:

6161002973 to present...

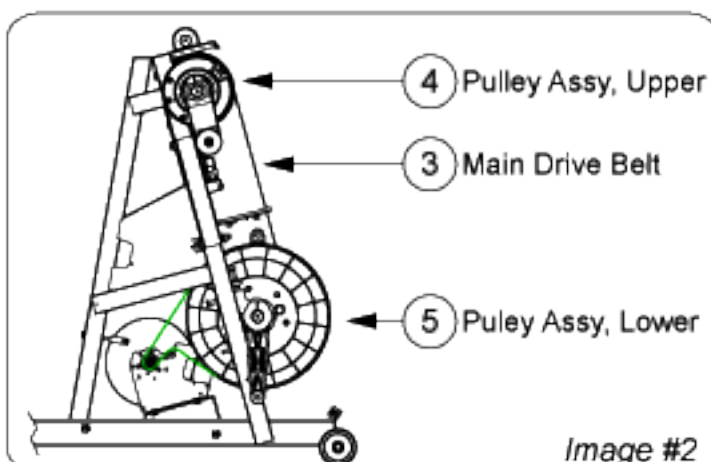

6261006677 to present...

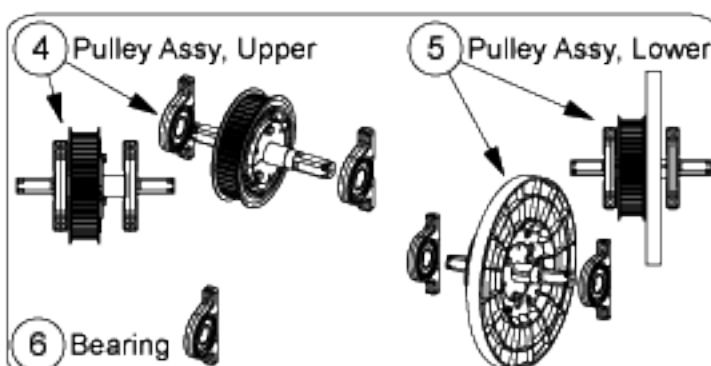

The upper pulley (A) on this serial number range is no longer available.

The lower pulley (B) on this serial number range is no longer available.

If you need either one of these parts, you will need to order ALL parts as shown in Image #2 (one each: #3, #4 and #5).

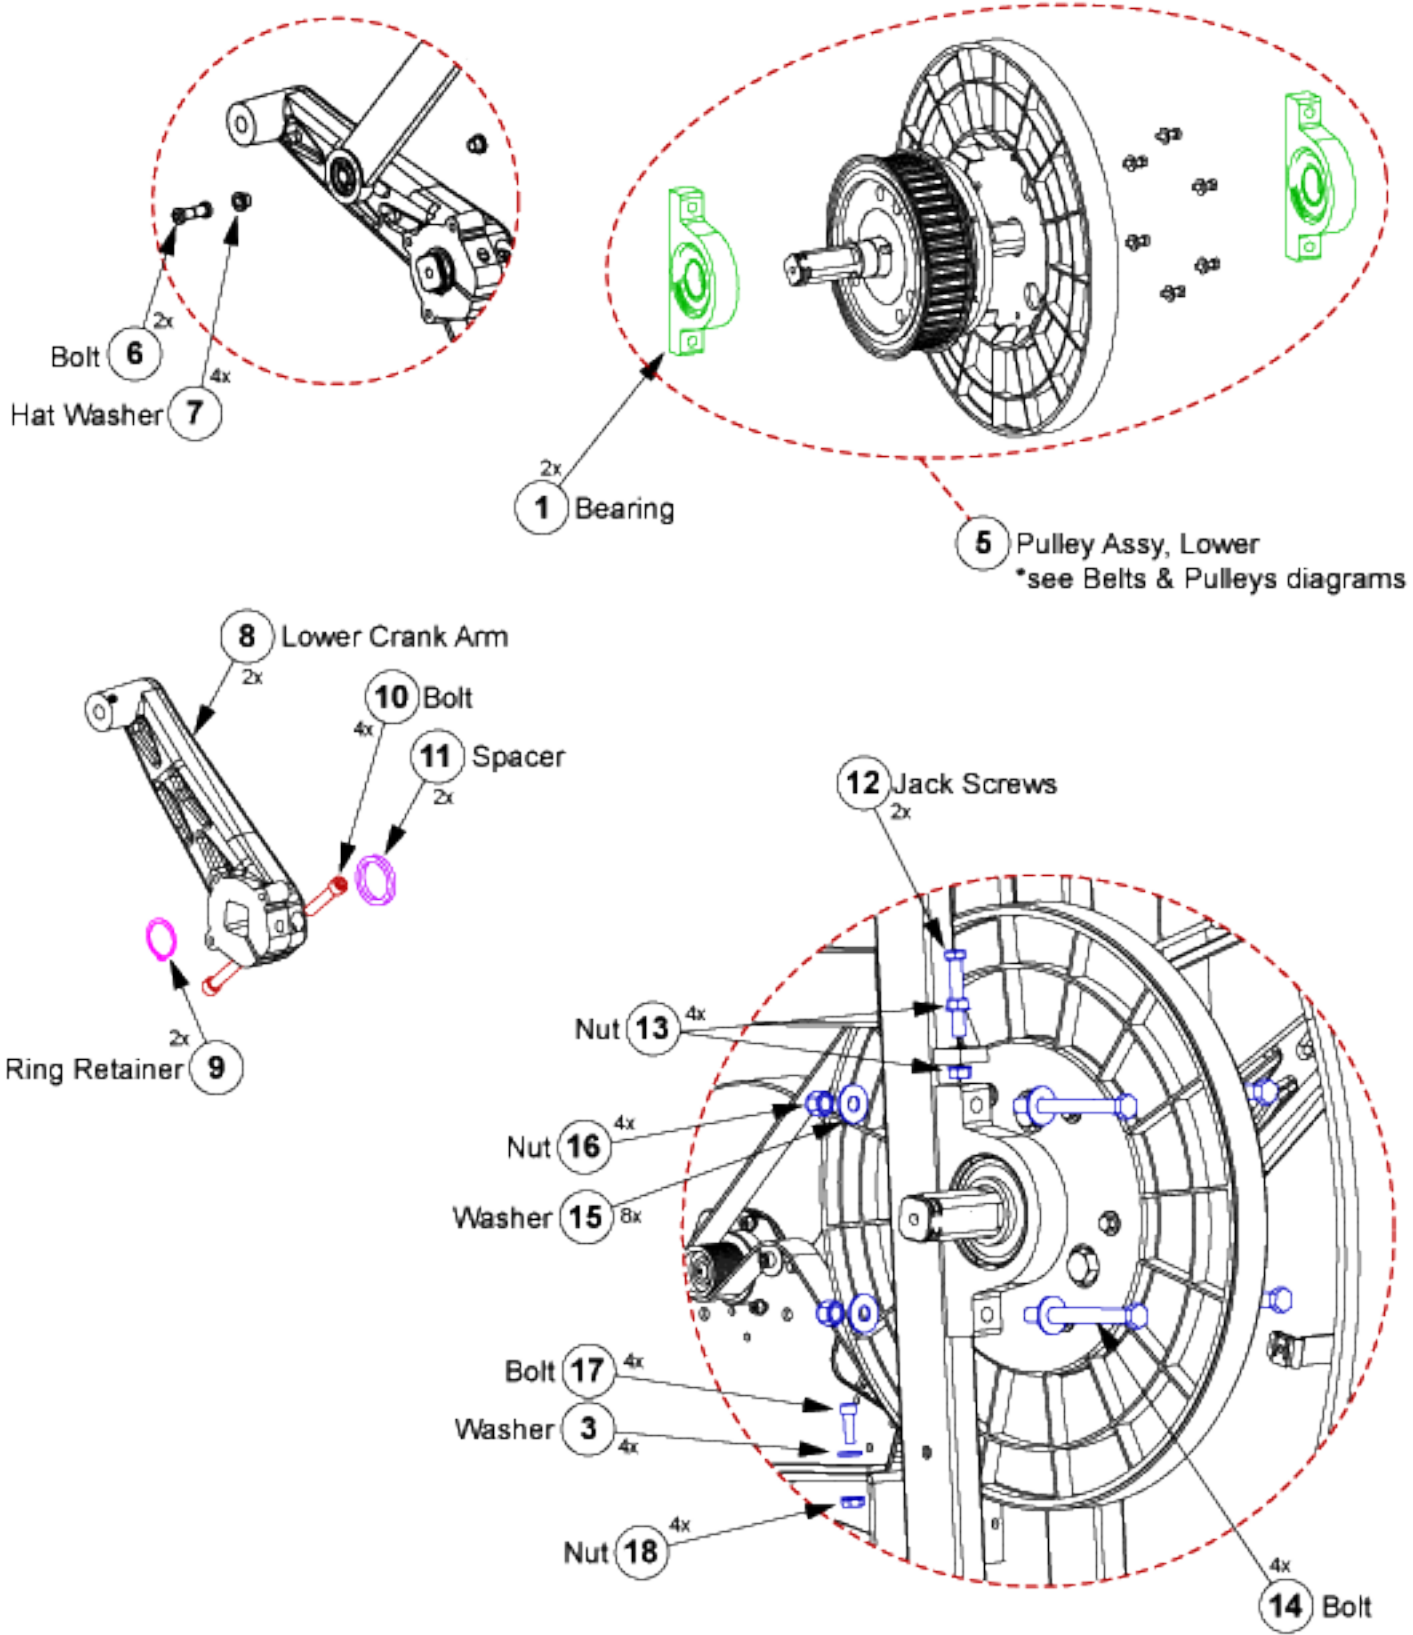

The upper and lower pulleys will not work with the older style belt as in Image #1.

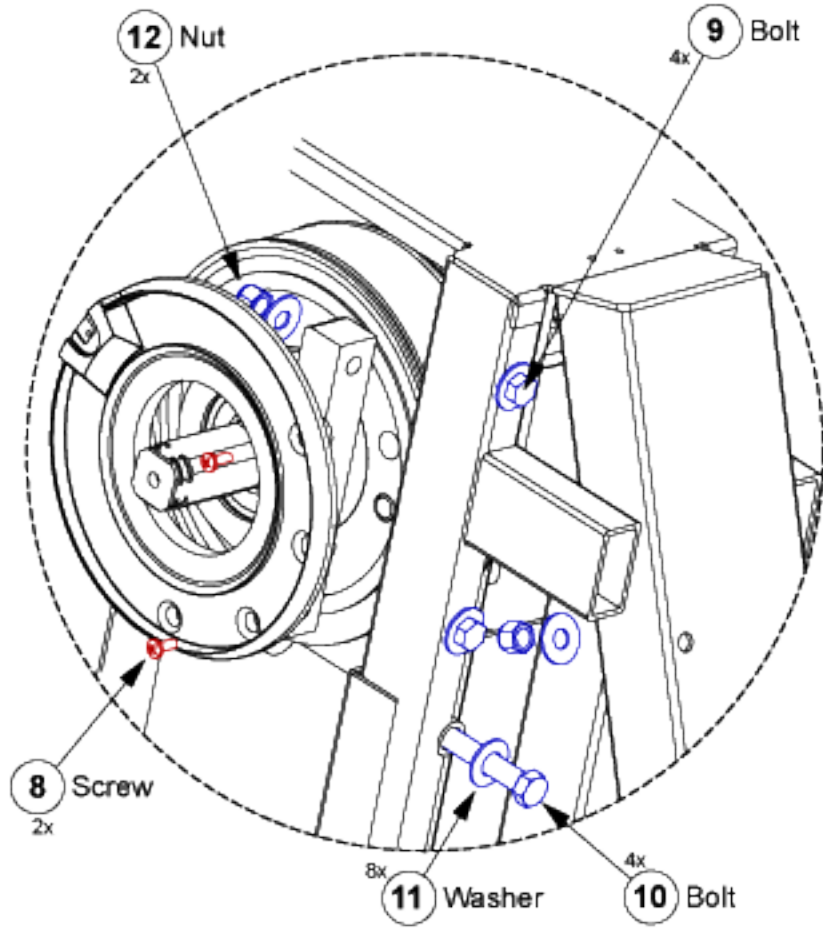

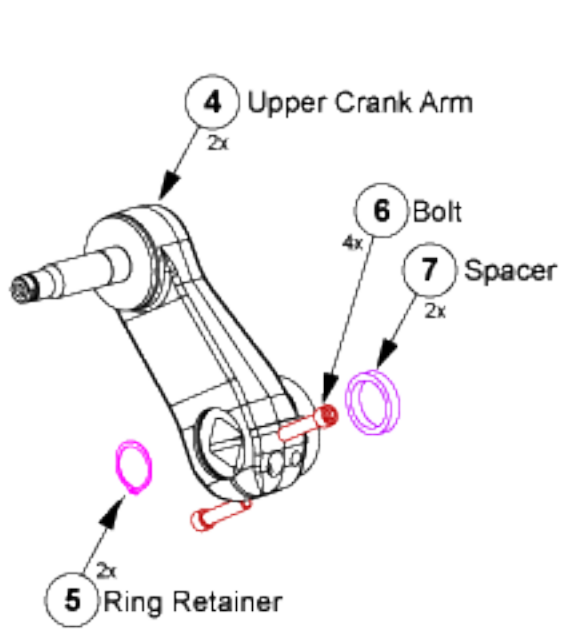

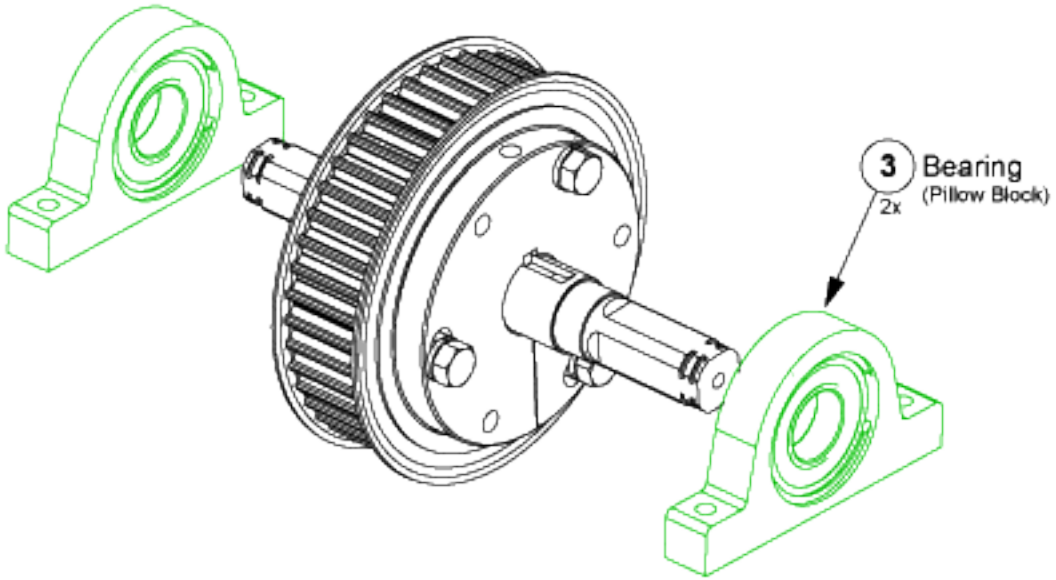

If you have any questions about the pulleys and belts as indicated above, contact Customer Support at 800-503-1221 or 714-669-1660 before ordering.
